National Network for the  
Transportation Workforce

## NNTW Fall 2021 Webinar Series “Empowering the New Mobility Workforce”

Join us this Fall for our Wednesdays “Lunch & Learn” series to explore four unique ways in which professional organizations are working together to improve the lives of transportation workers.

**Wednesday, November 3rd, 2021, 1-2pm Eastern**

### **Growing the Highway Workforce: A Look at the INDOT BY Roads Program**

*The Indiana Department of Transportation (INDOT) and the Indiana Construction Roundtable Foundation explore a new cost-free training program that prepares individuals for careers in the highway and roads construction industry, working to eliminate traditional barriers to entering the field.*
